SUMMARY

Hi, My name's Rung, I'm a Web Developer with 6 months of experience in frontend development. I build websites and "make it awesome".

I graduated at CyberSoft Academy.

OBJECTIVES

Get a new job in a professional environment. Take advantage of the knowledge and experience that I have to help the company grow.

The work on the Web Front End brought me a lot of fun, arousing passion in the work. I'm ready to learn new languages, new technologies to improve myself and meet the needs of work.

I know the company is looking for friends, reliable partners and I am ready to go along with the company on the upcoming long trips.

Furthermore, I want to become a developer with good skills, passionate to be a role model for everyone to follow.
